

SHEER SUMBA

Sheer Sumba is a quintessential Australian label. Their flattering swimwear designs make it easy too look good whether you're hitting the surf at the beach, lazing by the pool, having a BBQ with friends or partying it up as the sun sets. The Sheer Sumba team is all about keeping jobs in Australia so you'll find that all of their high quality bikinis, monokinis, kaftans and sarongs are made locally in Melbourne. They strive to source eye-catching fabrics but use well-cut designs so that you'll feel comfortable and confident. FJ loves the particularly innovative reversible bikinis. With one side printed and one side plain, you can mix and match to suit your mood. And with a long summer ahead of us, it means that with some clever reversing you won't have to be spotted in the same bikini twice! And until 22nd November, you can enter FJVIPSALE at checkout when you shop on their website and you'll get 20% off everything- that includes swimwear, kaftans and sarongs. Offer expires 22/11/11 or until stocks last- don't miss out! **www.sheersumba.com.au**
